(22-26)**

22. Question: Given the confidential nature of the Offeror's Commitments, is there a way to prevent them from becoming public information?

Answer: Proposals received in response to this RFP will be treated as Procurement Sensitive Information and will not be disclosed outside of the Source Evaluation Board. However, in accordance with Section H.36 of the RFP and resulting contract, the list of commitments, as accepted by the Government, will be incorporated into the contract upon award. All Office of Science M&O contracts are publicly available online.

23. Question: Section L.5(3) of the RFP requires offerors to provide a list of contracts terminated (partially or completely) within the last three calendar years in their proposals. Is this list included in the 100-page limitation for Volume II?

Answer: Yes. The list of terminated contracts is included in the 100-page limitation for Volume II.

24. Question: Section L.1(d) requires a cover sheet for Volume II. Is this cover sheet included in the 100-page limitation for Volume II?

Answer: No. The cover sheet is not included in the 100-page limitation for Volume II.

25. Question: Section H.35 requires the use of a Special Financial Institution Account Agreement. Are Offerors expected to have entered into a formal agreement with a banking institution at the time of proposal submission?

Answer: No. Offerors are not required to have entered into a formal Special Financial Institution Account Agreement with a banking institution at the time of proposal submission. However, Offerors are required to submit the "Sample Special Financial Institution Account Agreement for Use with the Checks Paid LOC Financing Arrangement" document provided as Section J, Appendix C with their proposal. The document should contain as much information as possible, including the name of the intended financial institution.

26. Question: Section K.12 CERTIFICATE PERTAINING TO FOREIGN INTERESTS states Offerors must submit a completed and signed SF-328, along with all applicable FOCI disclosure forms, executed in accordance with the form's instructions with the offeror's offer/proposal to DOE. Forms completed on the website can be saved and printed for inclusion in the offeror's offer/proposal.

Should social security numbers be included in the forms submitted with the Offeror's proposal to DOE?

Answer: Social Security Numbers should only be submitted via the e-FOCI Submission website. Social Security Numbers should not be submitted with Volume I of the proposal.
