Jefferson Science Associates, LLC (JSA) embraces the opportunity to provide the maximum level of opportunities for Small Business (SB), Small Disadvantaged Business (SDB), Women-Owned Small Business (WOSB), Service-Disabled Veteran-Owned Small Business (SDVOSB) and HubZone Small Business concerns. All of JSA's senior leaders and program managers diligently strive to achieve or exceed all of the small business goals. It is JSA's stated goal to provide a minimum of 50% of our total subcontracting dollars to small businesses. Our small business goals are shown below.

GOALS

The goals reflected below are shown as available subcontracting dollars and a percentage of subcontracting dollars. Within the Electronic Subcontracting Reporting System (eSRS), the percentage of all planned subcontracting will be reflected consistent with eSRS instructions.
