

February 24, 2020

Dr. Steven Binkley  
Principal Deputy Director and Acting Director, Office of Science  
Department of Energy

Dr. Harriet Kung  
Deputy Director for Science Programs  
Department of Energy

Dr. Barbara Helland  
Advanced Scientific Computing Research  
Department of Energy

It is my pleasure to transmit the final report of the Subcommittee on Exascale Computing Project (ECP) Transition, prepared in response to your charge. Professor Roscoe Giles and his subcommittee deserve enormous credit for their thoughtful engagement and preparation of this report.

Sincerely,

Daniel A. Reed  
Chair, Advanced Scientific Computing Advisory Committee  
Senior Vice President for Academic Affairs
