

EERE ALCC

The mission of EERE is to create and sustain American leadership in the transition to a global clean energy economy. Its vision is a strong and prosperous America powered by clean, affordable, and secure energy.

EERE aims to achieve the following strategic goals:

1. Accelerate the development and adoption of sustainable transportation technologies.
2. Increase the generation of electric power from renewable sources.
3. Improve the energy efficiency of our homes, buildings, and industries.
4. Stimulate the growth of a thriving domestic clean energy manufacturing industry.
5. Enable the integration of clean energy into a reliable, resilient, and efficient electricity grid.
6. Lead efforts to improve federal sustainability and implementation of clean energy solutions.
7. Enable a high-performing, results-driven culture through effective management approaches and processes.
