

# Basic Energy Sciences Advisory Committee

## July 24-25, 2008

### Agenda

Bethesda North Marriott Hotel and Conference Center  
 5701 Marinelli Road  
 North Bethesda, MD 20852  
 Phone: 301-822-9200

Thursday, July 24, 2008		
7:30am - 8:30am	Continental Breakfast	
8:30am - 8:45am	Welcome and Introduction	John Hemminger, BESAC Chair University of California, Irvine
8:45am - 9:15am	News from DOE Office of Science	Patricia M. Dehmer Deputy Director for Science Programs, Office of Science
9:15am - 9:45am	News from Office of Basic Energy Sciences	Harriet Kung, Director Office of Basic Energy Sciences
9:45am - 10:15am	COV for Chemical Sciences, Geosciences and Biosciences Division	Geri Richmond University of Oregon
10:15am - 10:45am	Open Discussion	BESAC
10:45am - 11:00am	Break	
11:00am - 11:30am	NSRC Update- Center for Nanophase Materials Sciences	Linda Horton Oak Ridge National Laboratory
11:30am - 12:00am	NSRC Update- Center for Integrated Nanotechnologies	Toni Taylor Los Alamos National Laboratory
12 Noon - 1:30pm	Lunch	
1:30pm - 2:00 pm	NSRC Update- Molecular Foundry	Carolyn Bertozzi Lawrence Berkeley National Laboratory
2:00pm - 2:30 pm	NSRC Update- Center for Nanoscale Materials	Stephen Streiffer Argonne National Laboratory
2:30pm - 3:00 pm	NSRC Update- Center for Functional Nanomaterials	Emilio Mendez Brookhaven National Laboratory
3:00pm - 3:30pm	Break	
3:30pm - 5:00pm	BESAC New Era of Science Subcommittee Discussion- Basic Research Needs Workshops	John Hemminger, BESAC Chair, University of California, Irvine George Crabtree, Argonne National Laboratory Marc Kastner, Massachusetts Institute of Technology
5:00pm - 5:15pm	Public Comment Session	
5:15pm	Adjourn	
6:00pm	Dinner on your own	

	Friday, July 25, 2008	
7:30am - 8:30a.m	Continental Breakfast	
8:30am - 9:00a.m	Update on New Funding Opportunities- EFRCs etc.	Harriet Kung, Director Office of Basic Energy Sciences
9:00am - 11:00a.m	BESAC New Era of Science Subcommittee Discussion- Facilities and Light Source of the Future	John Hemminger, BESAC Chair, University of California, Irvine George Crabtree, Argonne National Laboratory Marc Kastner, Massachusetts Institute of Technology
11:00am - 11:30am	Public Comment Session	
11:30am	Adjourn
