IN THE HOUSE OF REPRESENTATIVES

MAY 2, 2012

Mr. Frelinghuysen, from the Committee on Appropriations, reported the following bill; which was committed to the Committee of the Whole House on the State of the Union and ordered to be printed

A BILL

Making appropriations for energy and water development and related agencies for the fiscal year ending September 30, 2013, and for other purposes.
Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,
That the following sums are appropriated, out of any money in the Treasury not otherwise appropriated, for energy and water development and related agencies for the fiscal year ending September 30, 2013, and for other purposes, namely:

TITLE I—CORPS OF ENGINEERS—CIVIL
DEPARTMENT OF THE ARMY

Corps of Engineers—civil

The following appropriations shall be expended under the direction of the Secretary of the Army and the supervision of the Chief of Engineers for authorized civil functions of the Department of the Army pertaining to river and harbor, flood and storm damage reduction, shore protection, aquatic ecosystem restoration, and related efforts.

INVESTIGATIONS

For expenses necessary where authorized by law for the collection and study of basic information pertaining to river and harbor, flood and storm damage reduction, shore protection, aquatic ecosystem restoration, and related needs; for surveys and detailed studies, and plans and specifications of proposed river and harbor, flood and storm damage reduction, shore protection, and aquatic ecosystem restoration, projects and related efforts prior to
construction; for restudy of authorized projects; and for
miscellaneous investigations, and, when authorized by law,
surveys and detailed studies, and plans and specifications
of projects prior to construction, $102,000,000, to remain
available until expended.

CONSTRUCTION

For expenses necessary for the construction of river
and harbor, flood and storm damage reduction, shore pro-
tection, aquatic ecosystem restoration, and related
projects authorized by law; for conducting detailed studies,
and plans and specifications, of such projects (including
those involving participation by States, local governments,
or private groups) authorized or made eligible for selection
by law (but such detailed studies, and plans and specifica-
tions, shall not constitute a commitment of the Govern-
ment to construction); $1,477,284,000, to remain avail-
able until expended; of which such sums as are necessary
to cover the Federal share of construction costs for facili-
ties under the Dredged Material Disposal Facilities pro-
gram shall be derived from the Harbor Maintenance Trust
Fund as authorized by Public Law 104–303; and of which
such sums as are necessary to cover one-half of the costs
of construction, replacement, rehabilitation, and expansion
of inland waterways projects shall be derived from the In-
land Waterways Trust Fund: Provided, That the limita-
tion concerning total project costs in section 902 of the Water Resources Development Act of 1986, as amended (33 U.S.C. 2280), shall not apply during fiscal year 2013 to any project that receives funds provided in this title.

MISSISSIPPI RIVER AND TRIBUTARIES

For expenses necessary for flood damage reduction projects and related efforts in the Mississippi River alluvial valley below Cape Girardeau, Missouri, as authorized by law, $224,000,000, to remain available until expended, of which such sums as are necessary to cover the Federal share of eligible operation and maintenance costs for inland harbors shall be derived from the Harbor Maintenance Trust Fund.

OPERATION AND MAINTENANCE

For expenses necessary for the operation, maintenance, and care of existing river and harbor, flood and storm damage reduction, aquatic ecosystem restoration, and related projects authorized by law; providing security for infrastructure owned or operated by the Corps, including administrative buildings and laboratories; maintaining harbor channels provided by a State, municipality, or other public agency that serve essential navigation needs of general commerce, where authorized by law; surveying and charting northern and northwestern lakes and connecting waters; clearing and straightening channels; and
removing obstructions to navigation, $2,507,409,000, to remain available until expended, of which such sums as are necessary to cover the Federal share of eligible operation and maintenance costs for coastal harbors and channels, and for inland harbors shall be derived from the Harbor Maintenance Trust Fund; of which such sums as become available from the special account for the Corps of Engineers established by the Land and Water Conservation Fund Act of 1965 shall be derived from that account for resource protection, research, interpretation, and maintenance activities related to resource protection in the areas at which outdoor recreation is available; and of which such sums as become available from fees collected under section 217 of Public Law 104–303 shall be used to cover the cost of operation and maintenance of the dredged material disposal facilities for which such fees have been collected: 

Provided, That 1 percent of the total amount of funds provided for each of the programs, projects or activities funded under this heading shall not be allocated to a field operating activity prior to the beginning of the fourth quarter of the fiscal year and shall be available for use by the Chief of Engineers to fund such emergency activities as the Chief of Engineers determines to be necessary and appropriate, and that the Chief of Engineers shall allocate during the fourth quarter any re-
mainfing funds which have not been used for emergency
activities proportionally in accordance with the amounts
provided for the programs, projects or activities.

REGULATORY PROGRAM

For expenses necessary for administration of laws
pertaining to regulation of navigable waters and wetlands,
$190,000,000, to remain available until September 30,
2014.

FORMERLY UTILIZED SITES REMEDIAL ACTION PROGRAM

For expenses necessary to clean up contamination
from sites in the United States resulting from work per-
formed as part of the Nation’s early atomic energy pro-
gram, $104,000,000, to remain available until expended.

FLOOD CONTROL AND COASTAL EMERGENCIES

For expenses necessary to prepare for flood, hurri-
cane, and other natural disasters and support emergency
operations, repairs, and other activities in response to
such disasters as authorized by law, $27,000,000, to re-
main available until expended.

EXPENSES

For expenses necessary for the supervision and gen-
eral administration of the civil works program in the head-
quartes of the Corps of Engineers and the offices of the
Division Engineers; and for costs of management and op-
eration of the Humphreys Engineer Center Support Activ-
ity, the Institute for Water Resources, the United States Army Engineer Research and Development Center, and the United States Army Corps of Engineers Finance Center allocable to the civil works program, $177,500,000, to remain available until September 30, 2014, of which not to exceed $5,000 may be used for official reception and representation purposes and only during the current fiscal year: Provided, That no part of any other appropriation provided in title I of this Act shall be available to fund the civil works activities of the Office of the Chief of Engineers or the civil works executive direction and management activities of the division offices: Provided further, That any Flood Control and Coastal Emergencies appropriation may be used to fund the supervision and general administration of emergency operations, repairs, and other activities in response to any flood, hurricane, or other natural disaster.

OFFICE OF THE ASSISTANT SECRETARY OF THE ARMY FOR CIVIL WORKS

For the Office of the Assistant Secretary of the Army for Civil Works as authorized by 10 U.S.C. 3016(b)(3), $5,000,000, to remain available until September 30, 2014.

ADMINISTRATIVE PROVISION

The Revolving Fund, Corps of Engineers, shall be available during the current fiscal year for purchase (not
to exceed 100 for replacement only) and hire of passenger
motor vehicles for the civil works program.

GENERAL PROVISIONS, CORPS OF
ENGINEERS—CIVIL
(INCLUDING TRANSFER OF FUNDS)

Sec. 101. (a) None of the funds provided in this title
shall be available for obligation or expenditure through a
reprogramming of funds that—

(1) creates or initiates a new program, project,
or activity;

(2) eliminates a program, project, or activity;

(3) increases funds or personnel for any pro-
gram, project, or activity for which funds are denied
or restricted by this Act;

(4) reduces funds that are directed to be used
for a specific program, project, or activity by this
Act;

(5) increases funds for any program, project, or
activity by more than $2,000,000 or 10 percent,
whichever is less; or

(6) reduces funds for any program, project, or
activity by more than $2,000,000 or 10 percent,
whichever is less.

(b) Subsection (a)(1) shall not apply to any project
or activity authorized under section 205 of the Flood Con-

(c) The Corps of Engineers shall submit reports on a quarterly basis to the Committees on Appropriations of the House of Representatives and the Senate detailing all the funds reprogrammed between programs, projects, activities, or categories of funding. The first quarterly report shall be submitted not later than 60 days after the date of enactment of this Act.

SEC. 102. None of the funds made available in this title may be used to award or modify any contract that commits funds beyond the amounts appropriated for that program, project, or activity that remain unobligated, except that such amounts may include any funds that have been made available through reprogramming pursuant to section 101.

SEC. 103. None of the funds in this Act, or previous Acts, making funds available for Energy and Water Devel-
opment, shall be used to award any continuing contract
that commits additional funding from the Inland Water-
ways Trust Fund unless or until such time that a long-
term mechanism to enhance revenues in this Fund suffi-
cient to meet the cost-sharing authorized in the Water Re-
sources Development Act of 1986 (Public Law 99–662)
is enacted.

SEC. 104. Within 120 days of the date of the Chief
of Engineers Report on a water resource matter, the As-
sistant Secretary of the Army (Civil Works) shall submit
the report to the appropriate authorizing and appro-
priating committees of the Congress.

SEC. 105. During the fiscal year period covered by
this Act, the Secretary of the Army is authorized to imple-
ment measures recommended in the efficacy study author-
ized under section 3061 of the Water Resources Develop-
ment Act of 2007 (121 Stat. 1121) or in interim reports,
with such modifications or emergency measures as the
Secretary of the Army determines to be appropriate, to
prevent aquatic nuisance species from dispersing into the
Great Lakes by way of any hydrologic connection between
the Great Lakes and the Mississippi River Basin.

SEC. 106. The Secretary of the Army may transfer
to the Fish and Wildlife Service, and the Fish and Wildlife
Service may accept and expend, up to $4,300,000 of funds
provided in this title under the heading “Operation and
Maintenance” to mitigate for fisheries lost due to Corps
of Engineers projects.

SEC. 107. None of the funds appropriated in this Act
shall be available for use by the Chicago District of the
United States Army Corps of Engineers to fund any travel
that is outside of the District’s area of operation unless
such travel is directly project-related or is specifically re-
quested by a Member of Congress.

SEC. 108. Of the funds provided for “Olmsted Locks
and Dam, Ohio River, IL & KY” in the table under the
heading “Corps of Engineers–Civil—Construction” in the
report of the Committee on Appropriations accompanying
this Act, not more than 50 percent may be available for
obligation until—

(1) the Corps of Engineers completes a review
of the project, including method of construction;

(2) the Corps of Engineers develops a plan for
the expeditious completion of project construction;

(3) the findings of the review and the project
completion plan have been communicated to the ap-
propriate committees of the Congress.

SEC. 109. Amounts made available by this Act for
the “Investigations”, “Construction”, and “Operation and
Maintenance” accounts of the Corps of Engineers may not
be used as provided under the heading “Additional Funding for Ongoing Work” in the matter relating to each such account in the report of the Committee on Appropriations to accompany this Act until the report required under such heading is submitted.

Sec. 110. None of the funds made available by this Act or any subsequent Act making appropriations for Energy and Water Development may be used by the Corps of Engineers to develop, adopt, implement, administer, or enforce a change or supplement to the rule dated November 13, 1986, or guidance documents dated January 15, 2003, and December 2, 2008, pertaining to the definition of waters under the jurisdiction of the Federal Water Pollution Control Act (33 U.S.C. 1251 et seq.).

Sec. 111. As of the date of enactment of this Act and thereafter, the Secretary of the Army shall not promulgate or enforce any regulation that prohibits an individual from possessing a firearm, including an assembled or functional firearm, at a water resources development project covered under section 327.0 of title 36, Code of Federal Regulations (as in effect on the date of enactment of this Act), if—

(1) the individual is not otherwise prohibited by law from possessing the firearm; and
(2) the possession of the firearm is in compliance with the law of the State in which the water resources development project is located.

TITLE II—DEPARTMENT OF THE INTERIOR

CENTRAL UTAH PROJECT

CENTRAL UTAH PROJECT COMPLETION ACCOUNT

For carrying out activities authorized by the Central Utah Project Completion Act, $19,700,000, to remain available until expended, of which $1,200,000 shall be deposited into the Utah Reclamation Mitigation and Conservation Account for use by the Utah Reclamation Mitigation and Conservation Commission. In addition, for necessary expenses incurred in carrying out related responsibilities of the Secretary of the Interior, $1,300,000.

For fiscal year 2013, the Commission may use an amount not to exceed $1,500,000 for administrative expenses.

BUREAU OF RECLAMATION

The following appropriations shall be expended to execute authorized functions of the Bureau of Reclamation:

WATER AND RELATED RESOURCES

(INCLUDING TRANSFERS OF FUNDS)

For management, development, and restoration of water and related natural resources and for related activi-
ties, including the operation, maintenance, and rehabilitation of reclamation and other facilities, participation in fulfilling related Federal responsibilities to Native Americans, and related grants to, and cooperative and other agreements with, State and local governments, federally recognized Indian tribes, and others, $833,635,000, to remain available until expended, of which $29,000 shall be available for transfer to the Upper Colorado River Basin Fund and $6,985,000 shall be available for transfer to the Lower Colorado River Basin Development Fund; of which such amounts as may be necessary may be advanced to the Colorado River Dam Fund: Provided, That such transfers may be increased or decreased within the overall appropriation under this heading: Provided further, That of the total appropriated, the amount for program activities that can be financed by the Reclamation Fund or the Bureau of Reclamation special fee account established by 16 U.S.C. 6806 shall be derived from that Fund or account: Provided further, That funds contributed under 43 U.S.C. 395 are available until expended for the purposes for which contributed: Provided further, That funds advanced under 43 U.S.C. 397a shall be credited to this account and are available until expended for the same purposes as the sums appropriated under this heading: Provided further, That of the amounts provided herein, funds may
be used for high priority projects which shall be carried out by the Youth Conservation Corps, as authorized by 16 U.S.C. 1706.

CENTRAL VALLEY PROJECT RESTORATION FUND

For carrying out the programs, projects, plans, habitat restoration, improvement, and acquisition provisions of the Central Valley Project Improvement Act, $39,883,000, to be derived from such sums as may be collected in the Central Valley Project Restoration Fund pursuant to sections 3407(d), 3404(c)(3), and 3405(f) of Public Law 102–575, to remain available until expended: Provided, That the Bureau of Reclamation is directed to assess and collect the full amount of the additional mitigation and restoration payments authorized by section 3407(d) of Public Law 102–575: Provided further, That none of the funds made available under this heading may be used for the acquisition or leasing of water for in-stream purposes if the water is already committed to in-stream purposes by a court adopted decree or order.

CALIFORNIA BAY-DELTA RESTORATION

(INCLUDING TRANSFERS OF FUNDS)

For carrying out activities authorized by the Water Supply, Reliability, and Environmental Improvement Act, consistent with plans to be approved by the Secretary of the Interior, $36,000,000, to remain available until ex-
pended, of which such amounts as may be necessary to carry out such activities may be transferred to appropriate accounts of other participating Federal agencies to carry out authorized purposes: Provided, That funds appropriated herein may be used for the Federal share of the costs of CALFED Program management: Provided further, That the use of any funds provided to the California Bay-Delta Authority for program-wide management and oversight activities shall be subject to the approval of the Secretary of the Interior: Provided further, That CALFED implementation shall be carried out in a balanced manner with clear performance measures demonstrating concurrent progress in achieving the goals and objectives of the Program.

POLICY AND ADMINISTRATION

For necessary expenses of policy, administration, and related functions in the Office of the Commissioner, the Denver office, and offices in the five regions of the Bureau of Reclamation, to remain available until September 30, 2014, $57,000,000, to be derived from the Reclamation Fund and be nonreimbursable as provided in 43 U.S.C. 377: Provided, That no part of any other appropriation in this Act shall be available for activities or functions budgeted as policy and administration expenses.
ADMINISTRATIVE PROVISION

Appropriations for the Bureau of Reclamation shall be available for purchase of not to exceed five passenger motor vehicles, which are for replacement only.

GENERAL PROVISIONS, DEPARTMENT OF THE INTERIOR

Sec. 201. (a) None of the funds provided in this title shall be available for obligation or expenditure through a reprogramming of funds that—

(1) creates or initiates a new program, project, or activity;

(2) eliminates a program, project, or activity;

(3) increases funds for any program, project, or activity for which funds have been denied or restricted by this Act;

(4) restarts or resumes any program, project or activity for which funds are not provided in this Act, unless prior approval is received from the Committees on Appropriations of the House of Representatives and the Senate;

(5) transfers funds in excess of the following limits—

(A) 15 percent for any program, project or activity for which $2,000,000 or more is available at the beginning of the fiscal year; or
(B) $300,000 for any program, project or activity for which less than $2,000,000 is available at the beginning of the fiscal year;

(6) transfers more than $500,000 from either the Facilities Operation, Maintenance, and Rehabilitation category or the Resources Management and Development category to any program, project, or activity in the other category; or

(7) transfers, when necessary to discharge legal obligations of the Bureau of Reclamation, more than $5,000,000 to provide adequate funds for settled contractor claims, increased contractor earnings due to accelerated rates of operations, and real estate deficiency judgments.

(b) Subsection (a)(5) shall not apply to any transfer of funds within the Facilities Operation, Maintenance, and Rehabilitation category.

(c) For purposes of this section, the term “transfer” means any movement of funds into or out of a program, project, or activity.

(d) The Bureau of Reclamation shall submit reports on a quarterly basis to the Committees on Appropriations of the House of Representatives and the Senate detailing all the funds reprogrammed between programs, projects, activities, or categories of funding. The first quarterly re-
report shall be submitted not later than 60 days after the
date of enactment of this Act.

Sec. 202. (a) None of the funds appropriated or oth-
erwise made available by this Act may be used to deter-
mine the final point of discharge for the interceptor drain
for the San Luis Unit until development by the Secretary
of the Interior and the State of California of a plan, which
shall conform to the water quality standards of the State
of California as approved by the Administrator of the En-
vironmental Protection Agency, to minimize any detri-
mental effect of the San Luis drainage waters.

(b) The costs of the Kesterson Reservoir Cleanup
Program and the costs of the San Joaquin Valley Drain-
age Program shall be classified by the Secretary of the
Interior as reimbursable or nonreimbursable and collected
until fully repaid pursuant to the “Cleanup Program-Al-
ternative Repayment Plan” and the “SJVDP-Alternative
Repayment Plan” described in the report entitled “Repay-
ment Report, Kesterson Reservoir Cleanup Program and
San Joaquin Valley Drainage Program, February 1995”,
prepared by the Department of the Interior, Bureau of
Reclamation. Any future obligations of funds by the
United States relating to, or providing for, drainage serv-
ice or drainage studies for the San Luis Unit shall be fully
reimbursable by San Luis Unit beneficiaries of such service or studies pursuant to Federal reclamation law.

TITLE III—DEPARTMENT OF ENERGY

ENERGY PROGRAMS

ENERGY EFFICIENCY AND RENEWABLE ENERGY

(INCLUDING RESCISSION OF FUNDS)

For Department of Energy expenses including the purchase, construction, and acquisition of plant and capital equipment, and other expenses necessary for energy efficiency and renewable energy activities in carrying out the purposes of the Department of Energy Organization Act (42 U.S.C. 7101 et seq.), including the acquisition or condemnation of any real property or any facility or for plant or facility acquisition, construction, or expansion, $1,450,960,000 to remain available until expended: Provided, That of such amount, $115,000,000 shall be available until September 30, 2014, for program direction: Provided further, That for the purposes of allocating weatherization assistance funds to States and tribes during fiscal year 2013, the Secretary of Energy may waive the allocation formula established pursuant to section 414(a) of the Energy Conservation and Production Act (42 U.S.C. 6864(a)): Provided further, That of the unobligated balances from prior year appropriations available under this heading, $69,667,000 is hereby permanently rescinded:
Provided further, That no amounts may be rescinded from amounts that were designated by the Congress as an emergency requirement pursuant to the Concurrent Resolution on the Budget or the Balanced Budget and Emergency Deficit Control Act of 1985.

Electricity Delivery and Energy Reliability

For Department of Energy expenses including the purchase, construction, and acquisition of plant and capital equipment, and other expenses necessary for electricity delivery and energy reliability activities in carrying out the purposes of the Department of Energy Organization Act (42 U.S.C. 7101 et seq.), including the acquisition or condemnation of any real property or any facility or for plant or facility acquisition, construction, or expansion, $123,000,000, to remain available until expended: Provided, That of such amount, $27,600,000 shall be available until September 30, 2014, for program direction.

Nuclear Energy

For Department of Energy expenses including the purchase, construction, and acquisition of plant and capital equipment, and other expenses necessary for nuclear energy activities in carrying out the purposes of the Department of Energy Organization Act (42 U.S.C. 7101 et seq.), including the acquisition or condemnation of any real property or any facility or for plant or facility acquisi-
tion, construction, or expansion, and the purchase of not more than 10 buses and 2 ambulances, all for replacement only, $765,391,000, to remain available until expended, of which $10,000,000 shall be derived from the Nuclear Waste Fund established in section 302 (c) of the Nuclear Waste Policy Act of 1982 (42 U.S.C. 10222(c)), to be made available only to support the high-level waste geologic repository at Yucca Mountain: Provided, That, of the amount made available under this heading, $90,015,000 shall be available until September 30, 2014, for program direction.

FOSSIL ENERGY RESEARCH AND DEVELOPMENT

For necessary expenses in carrying out fossil energy research and development activities, under the authority of the Department of Energy Organization Act (Public Law 95-91), including the acquisition of interest, including defeasible and equitable interests in any real property or any facility or for plant or facility acquisition or expansion, and for conducting inquiries, technological investigations and research concerning the extraction, processing, use, and disposal of mineral substances without objectionable social and environmental costs (30 U.S.C. 3, 1602, and 1603), $554,000,000, to remain available until expended: Provided, That of such amount, $115,753,000 shall be available until September 30, 2014, for program
direction: Provided further, That for all programs funded
under Fossil Energy appropriations in this Act or any
other Act, the Secretary of Energy may vest fee title or
other property interests acquired under projects in any en-
tity, including the United States.

NAVAL PETROLEUM AND OIL SHALE RESERVES

For expenses necessary to carry out naval petroleum
and oil shale reserve activities, $14,909,000, to remain
available until expended: Provided, That, notwithstanding
any other provision of law, unobligated funds remaining
from prior years shall be available for all naval petroleum
and oil shale reserve activities.

ELK HILLS SCHOOL LANDS FUND

For necessary expenses in fulfilling the final payment
under the Settlement Agreement entered into by the
United States and the State of California on October 11,
1996, as authorized by section 3415 of Public Law 104–
106, $15,579,815, for payment to the State of California
for the State Teachers’ Retirement Fund, of which
$15,579,815 shall be derived from the Elk Hills School
Lands Fund.

STRATEGIC PETROLEUM RESERVE

For necessary expenses for Strategic Petroleum Re-
serve facility development and operations and program
management activities pursuant to the Energy Policy and
Conservation Act of 1975, as amended (42 U.S.C. 6201 et seq.), $195,609,000, to remain available until expended.

NORTHEAST HOME HEATING OIL RESERVE

(INCLUDING RESCISSION OF FUNDS)

For necessary expenses for Northeast Home Heating Oil Reserve storage, operation, and management activities pursuant to the Energy Policy and Conservation Act, $10,119,000, to remain available until expended: Provided, That of the unobligated balances from prior year appropriations available under this heading, $6,000,000 is hereby permanently rescinded: Provided further, That no amounts may be rescinded from amounts that were designated by the Congress as an emergency requirement pursuant to the Concurrent Resolution on the Budget or the Balanced Budget and Emergency Deficit Control Act of 1985.

ENERGY INFORMATION ADMINISTRATION

For necessary expenses in carrying out the activities of the Energy Information Administration, $100,000,000 to remain available until expended.

NON-DEFENSE ENVIRONMENTAL CLEANUP

For Department of Energy expenses, including the purchase, construction, and acquisition of plant and capital equipment and other expenses necessary for non-defense environmental cleanup activities in carrying out the
purposes of the Department of Energy Organization Act (42 U.S.C. 7101 et seq.), including the acquisition or condem-
nation of any real property or any facility or for plant or facility acquisition, construction, or expansion, 
$198,506,000, to remain available until expended.

URANIUM ENRICHMENT DECONTAMINATION AND 
DECOMMISSIONING FUND

For necessary expenses in carrying out uranium en-
richment facility decontamination and decommissioning, remedial actions, and other activities of title II of the Atomic Energy Act of 1954, and title X, subtitle A, of the Energy Policy Act of 1992, $425,493,000 to be de-

rived from the Uranium Enrichment Decontamination and Decommissioning Fund, to remain available until ex-
pended.

SCIENCE 
(INCLUDING RESCISSION OF FUNDS)

For Department of Energy expenses including the purchase, construction, and acquisition of plant and cap-
ital equipment, and other expenses necessary for science activities in carrying out the purposes of the Department of Energy Organization Act (42 U.S.C. 7101 et seq.), in-
cluding the acquisition or condemnation of any real prop-
erty or facility or for plant or facility acquisition, construc-
tion, or expansion, and purchase of not more than 25 pas-
senger motor vehicles for replacement only, including one
ambulance and one bus, $4,824,931,000, to remain avail-
able until expended: Provided, That of such amount,
$185,000,000 shall be available until September 30, 2014,
for program direction: Provided further, That of the unob-
ligated balances from appropriations available under this
heading, $23,500,000 is hereby permanently rescinded:
Provided further, That no amounts may be rescinded from
amounts that were designated by the Congress as an
emergency requirement pursuant to the Concurrent Reso-
olution on the Budget or the Balanced Budget and Emer-

ADVANCED RESEARCH PROJECTS AGENCY—ENERGY

For necessary expenses in carrying out the activities
authorized by section 5012 of the America COMPETES
Act (Public Law 110–69), as amended, $200,000,000, to
remain available until expended: Provided, That of such
amount, $20,000,000 shall be available until September
30, 2014, for program direction.

NUCLEAR WASTE DISPOSAL

For nuclear waste disposal activities to carry out the
purposes of the Nuclear Waste Policy Act of 1982, Public
Law 97-425, as amended (the “NWPA”), $25,000,000,
to remain available until expended, and to be derived from
the Nuclear Waste Fund established in section 302(c) of
such Act (42 U.S.C. 10222(c)), to be made available only
to support the Yucca Mountain license application: Pro-
vided, That not less than $5,000,000 of funds made avail-
able under this heading shall be made available only for
assistance to affected units of local government which have
given formal consent to the Secretary of Energy to host
a high-level waste repository as authorized by the NWPA.

Title 17 Innovative Technology Loan Guarantee
Program

Such sums as are derived from amounts received
from borrowers pursuant to section 1702(b)(2) of the En-
ergy Policy Act of 2005 under this heading in prior Acts,
shall be collected in accordance with section 502(7) of the
Congressional Budget Act of 1974: Provided, That, for
necessary administrative expenses to carry out this Loan
Guarantee program, $38,000,000 is appropriated, to re-
main available until September 30, 2014: Provided further,
That $38,000,000 of the fees collected pursuant to section
1702(h) of the Energy Policy Act of 2005 shall be credited
as offsetting collections to this account to cover adminis-
trative expenses and shall remain available until expended,
so as to result in a final fiscal year 2013 appropriation
from the general fund estimated at not more than $0: Pro-
vided further, That fees collected under section 1702(h)
in excess of the amount appropriated for administrative expenses shall not be available until appropriated.

ADVANCED TECHNOLOGY VEHICLES MANUFACTURING LOAN PROGRAM

For administrative expenses in carrying out the Advanced Technology Vehicles Manufacturing Loan Program, $6,000,000, to remain available until September 30, 2014.

DEPARTMENTAL ADMINISTRATION

For salaries and expenses of the Department of Energy necessary for departmental administration in carrying out the purposes of the Department of Energy Organization Act (42 U.S.C. 7101 et seq.), including the hire of passenger motor vehicles and official reception and representation expenses not to exceed $30,000, $230,783,000, to remain available until September 30, 2014, plus such additional amounts as necessary to cover increases in the estimated amount of cost of work for others notwithstanding the provisions of the Anti-Deficiency Act (31 U.S.C. 1511 et seq.): Provided, That such increases in cost of work are offset by revenue increases of the same or greater amount, to remain available until expended: Provided further, That moneys received by the Department for miscellaneous revenues estimated to total $108,188,000 in fiscal year 2013 may be retained and
used for operating expenses within this account, and may
remain available until expended, as authorized by section
201 of Public Law 95–238, notwithstanding the provisions
of 31 U.S.C. 3302: Provided further, That the sum herein
appropriated shall be reduced by the amount of miscella-
neous revenues received during 2013, and any related ap-
propriated receipt account balances remaining from prior
years’ miscellaneous revenues, so as to result in a final
fiscal year 2013 appropriation from the general fund esti-
mated at not more than $122,595,000.

Office of the Inspector General

For necessary expenses of the Office of the Inspector
General in carrying out the provisions of the Inspector
General Act of 1978, as amended, $43,468,000, to remain
available until September 30, 2014.

Atomic Energy Defense Activities

National Nuclear Security

Administration

Weapons Activities

(including rescission of funds)

For Department of Energy expenses, including the
purchase, construction, and acquisition of plant and cap-
ital equipment and other incidental expenses necessary for
atomic energy defense weapons activities in carrying out
the purposes of the Department of Energy Organization
Act (42 U.S.C. 7101 et seq.), including the acquisition or condemnation of any real property or any facility or for plant or facility acquisition, construction, or expansion, and the purchase of not to exceed one ambulance, $7,577,341,000, to remain available until expended: Provided, That of the unobligated balances from prior year appropriations available under this heading, $65,000,000 is hereby permanently rescinded: Provided further, That no amounts may be rescinded from amounts that were designated by the Congress as an emergency requirement pursuant to the Concurrent Resolution on the Budget or the Balanced Budget and Emergency Deficit Control Act of 1985.

DEFENSE NUCLEAR NONPROLIFERATION
(INCLUDING RESCISSION OF FUNDS)

For Department of Energy expenses, including the purchase, construction, and acquisition of plant and capital equipment and other incidental expenses necessary for defense nuclear nonproliferation activities, in carrying out the purposes of the Department of Energy Organization Act (42 U.S.C. 7101 et seq.), including the acquisition or condemnation of any real property or any facility or for plant or facility acquisition, construction, or expansion, and the purchase of not to exceed one passenger motor vehicle for replacement only, $2,283,024,000, to remain
available until expended: Provided, That of the unobligated balances from prior year appropriations available under this heading, $7,000,000 is hereby permanently rescinded: Provided further, That no amounts may be rescinded from amounts that were designated by the Congress as an emergency requirement pursuant to the Concurrent Resolution on the Budget or the Balanced Budget and Emergency Deficit Control Act of 1985.

NAVAL REACTORS

For Department of Energy expenses necessary for naval reactors activities to carry out the Department of Energy Organization Act (42 U.S.C. 7101 et seq.), including the acquisition (by purchase, condemnation, construction, or otherwise) of real property, plant, and capital equipment, facilities, and facility expansion, $1,086,635,000, to remain available until expended: Provided, That of such amount, $43,212,000 shall be available until September 30, 2014, for program direction.

OFFICE OF THE ADMINISTRATOR

For necessary expenses of the Office of the Administrator in the National Nuclear Security Administration, including official reception and representation expenses not to exceed $12,000, $400,000,000, to remain available until September 30, 2014.
ENVIRONMENTAL AND OTHER DEFENSE ACTIVITIES

DEFENSE ENVIRONMENTAL CLEANUP
(INCLUDING RESCISSION OF FUNDS)

For Department of Energy expenses, including the purchase, construction, and acquisition of plant and capital equipment and other expenses necessary for atomic energy defense environmental cleanup activities in carrying out the purposes of the Department of Energy Organization Act (42 U.S.C. 7101 et seq.), including the acquisition or condemnation of any real property or any facility or for plant or facility acquisition, construction, or expansion, and the purchase of not to exceed one ambulance and one fire truck for replacement only, $4,930,078,000, to remain available until expended: Provided, That of such amount, $315,607,000 shall be available until September 30, 2014, for program direction: Provided further, That of the unobligated balances from prior year appropriations available under this heading, $10,000,000 is hereby permanently rescinded: Provided further, That no amounts may be rescinded from amounts that were designated by the Congress as an emergency requirement pursuant to the Concurrent Resolution on the Budget or the Balanced Budget and Emergency Deficit Control Act of 1985.
OTHER DEFENSE ACTIVITIES

For Department of Energy expenses, including the purchase, construction, and acquisition of plant and capital equipment, and other expenses necessary for atomic energy defense, other defense activities, and classified activities, in carrying out the purposes of the Department of Energy Organization Act (42 U.S.C. 7101 et seq.), including the acquisition or condemnation of any real property or any facility or for plant or facility acquisition, construction, or expansion, $813,364,000, to remain available until expended: Provided, That of such amount, $114,858,000 shall be available until September 30, 2014, for program direction.

POWER MARKETING ADMINISTRATION

BONNEVILLE POWER ADMINISTRATION FUND

Expenditures from the Bonneville Power Administration Fund, established pursuant to Public Law 93–454, are approved for construction of, or participating in the construction of, a high voltage line from Bonneville’s high voltage system to the service areas of requirements customers located within Bonneville’s service area in southern Idaho, southern Montana, and western Wyoming; and such line may extend to, and interconnect in, the Pacific Northwest with lines between the Pacific Northwest and the Pacific Southwest, and for John Day Reprogramming
and Construction, the Columbia River Basin White Sturgeon Hatchery, and Kelt Reconditioning and Reproductive Success Evaluation Research, and, in addition, for official reception and representation expenses in an amount not to exceed $7,000: Provided, That during fiscal year 2013, no new direct loan obligations may be made.

OPERATION AND MAINTENANCE, SOUTHEASTERN POWER ADMINISTRATION

For necessary expenses of operation and maintenance of power transmission facilities and of marketing electric power and energy, including transmission wheeling and ancillary services, pursuant to section 5 of the Flood Control Act of 1944 (16 U.S.C. 825s), as applied to the southeastern power area, and including official reception and representation expenses in an amount not to exceed $1,500, $8,732,000, to remain available until expended: Provided, That notwithstanding 31 U.S.C. 3302 and section 5 of the Flood Control Act of 1944, up to $8,732,000 collected by the Southeastern Power Administration from the sale of power and related services shall be credited to this account as discretionary offsetting collections, to remain available until expended for the sole purpose of funding the annual expenses of the Southeastern Power Administration: Provided further, That the sum herein appropriated for annual expenses shall be reduced as collections
are received during the fiscal year so as to result in a final fiscal year 2013 appropriation estimated at not more than $0: Provided further, That, notwithstanding 31 U.S.C. 3302, up to $87,696,000 collected by the Southeastern Power Administration pursuant to the Flood Control Act of 1944 to recover purchase power and wheeling expenses shall be credited to this account as offsetting collections, to remain available until expended for the sole purpose of making purchase power and wheeling expenditures: Provided further, That for purposes of this appropriation, annual expenses means expenditures that are generally recovered in the same year that they are incurred (excluding purchase power and wheeling expenses).

OPERATION AND MAINTENANCE, SOUTHWESTERN POWER ADMINISTRATION

For necessary expenses of operation and maintenance of power transmission facilities and of marketing electric power and energy, for construction and acquisition of transmission lines, substations and appurtenant facilities, and for administrative expenses, including official reception and representation expenses in an amount not to exceed $1,500 in carrying out section 5 of the Flood Control Act of 1944 (16 U.S.C. 825s), as applied to the Southwestern Power Administration, $44,200,000, to remain available until expended: Provided, That notwithstanding
31 U.S.C. 3302 and section 5 of the Flood Control Act of 1944 (16 U.S.C. 825s), up to $32,308,000 collected by the Southwestern Power Administration from the sale of power and related services shall be credited to this account as discretionary offsetting collections, to remain available until expended, for the sole purpose of funding the annual expenses of the Southwestern Power Administration: Provided further, That the sum herein appropriated for annual expenses shall be reduced as collections are received during the fiscal year so as to result in a final fiscal year 2013 appropriation estimated at not more than $11,892,000: Provided further, That, notwithstanding 31 U.S.C. 3302, up to $41,000,000 collected by the Southwestern Power Administration pursuant to the Flood Control Act of 1944 to recover purchase power and wheeling expenses shall be credited to this account as offsetting collections, to remain available until expended for the sole purpose of making purchase power and wheeling expenditures: Provided further, That, for purposes of this appropriation, annual expenses means expenditures that are generally recovered in the same year that they are incurred (excluding purchase power and wheeling expenses).
CONSTRUCTION, REHABILITATION, OPERATION AND MAINTENANCE, WESTERN AREA POWER ADMINISTRATION

For carrying out the functions authorized by title III, section 302(a)(1)(E) of the Act of August 4, 1977 (42 U.S.C. 7152), and other related activities including conservation and renewable resources programs as authorized, including official reception and representation expenses in an amount not to exceed $1,500; $291,920,000, to remain available until expended, of which $281,702,000 shall be derived from the Department of the Interior Reclamation Fund: Provided, That notwithstanding 31 U.S.C. 3302, section 5 of the Flood Control Act of 1944 (16 U.S.C. 825s), and section 1 of the Interior Department Appropriation Act, 1939 (43 U.S.C. 392a), up to $195,790,000 collected by the Western Area Power Administration from the sale of power and related services shall be credited to this account as discretionary offsetting collections, to remain available until expended, for the sole purpose of funding the annual expenses of the Western Area Power Administration: Provided further, That the sum herein appropriated for annual expenses shall be reduced as collections are received during the fiscal year so as to result in a final fiscal year 2013 appropriation estimated at not more than $96,130,000, of which
$85,912,000 is derived from the Reclamation Fund: Provided further, That of the amount herein appropriated, not more than $3,375,000 is for deposit into the Utah Reclamation Mitigation and Conservation Account pursuant to title IV of the Reclamation Projects Authorization and Adjustment Act of 1992: Provided further, That notwithstanding 31 U.S.C. 3302, up to $242,858,000 collected by the Western Area Power Administration pursuant to the Flood Control Act of 1944 and the Reclamation Project Act of 1939 to recover purchase power and wheeling expenses shall be credited to this account as offsetting collections, to remain available until expended for the sole purpose of making purchase power and wheeling expenditures: Provided further, That for purposes of this appropriation, annual expenses means expenditures that are generally recovered in the same year that they are incurred (excluding purchase power and wheeling expenses).

FALCON AND AMISTAD OPERATING AND MAINTENANCE FUND

For operation, maintenance, and emergency costs for the hydroelectric facilities at the Falcon and Amistad Dams, $5,555,000, to remain available until expended, and to be derived from the Falcon and Amistad Operating and Maintenance Fund of the Western Area Power Administration, as provided in section 2 of the Act of June
Provided, That notwithstanding the provisions of that Act and of 31 U.S.C. 3302, up to $5,335,000 collected by the Western Area Power Administration from the sale of power and related services from the Falcon and Amistad Dams shall be credited to this account as discretionary offsetting collections, to remain available until expended for the sole purpose of funding the annual expenses of the hydroelectric facilities of these Dams and associated Western Area Power Administration activities: Provided further, That the sum herein appropriated for annual expenses shall be reduced as collections are received during the fiscal year so as to result in a final fiscal year 2013 appropriation estimated at not more than $220,000: Provided further, That for purposes of this appropriation, annual expenses means expenditures that are generally recovered in the same year that they are incurred.

Federal Energy Regulatory Commission

Salaries and Expenses

For necessary expenses of the Federal Energy Regulatory Commission to carry out the provisions of the Department of Energy Organization Act (42 U.S.C. 7101 et seq.), including services as authorized by 5 U.S.C. 3109, the hire of passenger motor vehicles, and official reception and representation expenses not to exceed $3,000,
$304,600,000, to remain available until expended: Provided, That notwithstanding any other provision of law, not to exceed $304,600,000 of revenues from fees and annual charges, and other services and collections in fiscal year 2013 shall be retained and used for necessary expenses in this account, and shall remain available until expended: Provided further, That the sum herein appropriated from the general fund shall be reduced as revenues are received during fiscal year 2013 so as to result in a final fiscal year 2013 appropriation from the general fund estimated at not more than $0.

GENERAL PROVISIONS, DEPARTMENT OF ENERGY

SEC. 301. (a) No appropriation, funds, or authority made available by this title for the Department of Energy shall be used to initiate or resume any program, project, or activity or to prepare or initiate Requests For Proposals or similar arrangements (including Requests for Quotations, Requests for Information, and Funding Opportunity Announcements) for a program, project, or activity if the program, project, or activity has not been funded by Congress.

(b) The Department of Energy may not, with respect to any program, project, or activity that uses budget au-
authority made available in this title under the heading “Department of Energy—Energy Programs”, enter into a multi-year contract, award a multi-year grant, or enter into a multi-year cooperative agreement unless:

(1) the contract, grant, or cooperative agreement is funded for the full period of performance as anticipated at the time of award; or

(2) the contract, grant, or cooperative agreement includes a clause conditioning the Federal Government’s obligation on the availability of future-year budget authority and the Secretary notifies the Committee on Appropriations of the House of Representatives and the Senate at least 14 days in advance.

(c) Except as provided in subsections (d), (e), and (f), the amounts made available by this title shall be expended as authorized by law for the projects and activities specified in the “Bill” column in the “Department of Energy” table or the text included under the heading “Title III—Department of Energy” in the report of the Committee on Appropriations accompanying this Act.

(d) The amounts made available by this title may be reprogrammed for any program, project, or activity, and the Department shall notify the Committees on Appropriations of the House of Representatives and the Senate at
least 30 days prior to the use of any proposed reprogramming which would cause any program, project, or activity funding level to increase or decrease by more than $5,000,000 or 10 percent, whichever is less, during the time period covered by this Act.

(e) None of the funds provided in this title shall be available for obligation or expenditure through a reprogramming of funds that—

1. creates, initiates, or eliminates a program, project, or activity;
2. increases funds or personnel for any program, project, or activity for which funds are denied or restricted by this Act; or
3. reduces funds that are directed to be used for a specific program, project, or activity by this Act.

(f)(1) The Secretary of Energy may waive any requirement or restriction in this section that applies to the use of funds made available for the Department of Energy if compliance with such requirement or restriction would pose a substantial risk to human health, the environment, welfare, or national security.

(2) The Secretary of Energy shall notify the Committees on Appropriations of any waiver under paragraph (1) as soon as practicable, but not later than 3 days after the
date of the activity to which a requirement or restriction
would otherwise have applied. Such notice shall include an
explanation of the substantial risk under paragraph (1)
that permitted such waiver.

Sec. 302. The unexpended balances of prior appro-
priations provided for activities in this Act may be avail-
able to the same appropriation accounts for such activities
established pursuant to this title. Available balances may
be merged with funds in the applicable established ac-
counts and thereafter may be accounted for as one fund
for the same time period as originally enacted.

Sec. 303. Funds appropriated by this or any other
Act, or made available by the transfer of funds in this
Act, for intelligence activities are deemed to be specifically
authorized by the Congress for purposes of section 504
of the National Security Act of 1947 (50 U.S.C. 414) dur-
ing fiscal year 2013 until the enactment of the Intelligence

Sec. 304. None of the funds made available in this
title shall be used for the construction of facilities classi-
fied as high-hazard nuclear facilities under 10 CFR Part
830 unless independent oversight is conducted by the Of-
fice of Health, Safety, and Security to ensure the project
is in compliance with nuclear safety requirements.
Sec. 305. None of the funds made available in this title may be used to approve a Critical Decision-2 or Critical Decision-3 under Department of Energy Order 413.3B, or any successive departmental guidance, for construction projects where the total project cost exceeds $100,000,000, until a separate independent cost estimate has been developed for the project for that critical decision.

Sec. 306. None of the funds made available in this title may be used to make a grant allocation, discretionary grant award, discretionary contract award, or Other Transaction Agreement, or to issue a letter of intent, totaling in excess of $1,000,000, or to announce publicly the intention to make such an allocation, award, or Agreement, or to issue such a letter, including a contract covered by the Federal Acquisition Regulation, unless the Secretary of Energy notifies the Committees on Appropriations of the Senate and the House of Representatives at least 3 full business days in advance of making such an allocation, award, or Agreement, or issuing such a letter: Provided, That if the Secretary of Energy determines that compliance with this section would pose a substantial risk to human life, health, or safety, an allocation, award, or Agreement may be made, or a letter may be issued, without advance notification, and the Secretary shall no-
tify the Committees on Appropriations of the Senate and the House of Representatives not later than 5 full business days after the date on which such an allocation, award, or Agreement is made or letter issued: Provided further, That the notification shall include the recipient of the award, the amount of the award, the fiscal year for which the funds for the award were appropriated, and the account and program from which the funds are being drawn, the title of the award, and a brief description of the activity for which the award is made.

Sec. 307. None of the funds made available by this or any subsequent Act for fiscal year 2013 or any fiscal year hereafter may be used to pay the salaries of Department of Energy employees to carry out section 407 of division A of the American Recovery and Reinvestment Act of 2009.

Sec. 308. Section 20320(c) of division B of Public Law 109–289, as added by Public Law 110–5, is amended by striking “an annual review” and inserting “a review every 3 years”.

Sec. 309. Not later than June 30, 2013, the Secretary shall submit to the House and Senate Committees on Appropriations a tritium and enriched uranium management plan that provides:
(a) An assessment of the national security demand
for tritium through 2060;
(b) An assessment of the national security demand
for low and highly enriched uranium through 2060;
(c) A description of the Department of Energy’s plan
to provide adequate amounts of tritium for national secu-

rity purposes through 2060, including the derivation of
adequate supplies of enriched uranium and its use;
(d) An analysis of planned and alternative tritium
production technologies, including weapons dismantlement;
(e) An analysis of planned and alternative enriched
uranium production technologies, including down-blending,
which are available to meet the supply needs for na-
tional security programs through 2060.

Sec. 310. None of the funds made available in this
Act may be used for uranium transactions that do not con-
form to the excess uranium inventory management plan
submitted pursuant to the Consolidated Appropriations
Act, 2012.

Sec. 311. No funds within this Act shall be expended
to promulgate the final rule pursuant to Section 433 of
§ 6834) and no funds shall be used to implement any final

SEC. 312. None of the funds made available in this title or funds available in the Bonneville Power Administration Fund may be used by the Department of Energy for any new program, project, or activity required by or otherwise proposed in the memorandum from Steven Chu, Secretary of Energy, to the Power Marketing Administrators with the subject line “Power Marketing Administrations’ Role” and dated March 16, 2012.

TITLE IV—INDEPENDENT AGENCIES

APPALACHIAN REGIONAL COMMISSION

For expenses necessary to carry out the programs authorized by the Appalachian Regional Development Act of 1965, as amended, notwithstanding 40 U.S.C. 14704, and for necessary expenses for the Federal Co-Chairman and the Alternate on the Appalachian Regional Commission, for payment of the Federal share of the administrative expenses of the Commission, including services as authorized by 5 U.S.C. 3109, and hire of passenger motor vehicles, $75,317,000, to remain available until expended.

DENALI COMMISSION

For expenses of the Denali Commission including the purchase, construction, and acquisition of plant and capital equipment as necessary and other expenses, $10,679,000, to remain available until expended, notwithstanding the limitations contained in section 306(g) of the Denali Commission Act of 1998: Provided, That funds shall be available for construction projects in an amount not to exceed 80 percent of total project cost for distressed communities, as defined by section 307 of the Denali Com-

NORTHERN BORDER REGIONAL COMMISSION

For necessary expenses of the Northern Border Regional Commission in carrying out activities authorized by subtitle V of title 40, United States Code, $1,425,000, to remain available until expended: Provided, That such amounts shall be available for administrative expenses, notwithstanding section 15751(b) of title 40, United States Code.

SOUTHEAST CRESCENT REGIONAL COMMISSION

For necessary expenses of the Southeast Crescent Regional Commission in carrying out activities authorized by subtitle V of title 40, United States Code, $250,000, to remain available until expended.

NUCLEAR REGULATORY COMMISSION

SALARIES AND EXPENSES

For necessary expenses of the Commission in carrying out the purposes of the Energy Reorganization Act of 1974, as amended, and the Atomic Energy Act of 1954, as amended, including official representation expenses (not to exceed $25,000), $1,038,800,000, to remain avail-
able until expended: Provided, That of the amount appropriated herein, not more than $9,500,000 may be made available for salaries, travel, and other support costs for the Office of the Commission, of which, notwithstanding section 201(a)(2)(c) of the Energy Reorganization Act of 1974 (42 U.S.C. 5841(a)(2)(c)), the use and expenditure shall only be approved by a majority vote of the Commission: Provided further, That revenues from licensing fees, inspection services, and other services and collections estimated at $911,772,000 in fiscal year 2013 shall be retained and used for necessary salaries and expenses in this account, notwithstanding 31 U.S.C. 3302, and shall remain available until expended: Provided further, That the sum herein appropriated shall be reduced by the amount of revenues received during fiscal year 2013 so as to result in a final fiscal year 2013 appropriation estimated at not more than $127,028,000: Provided further, That of the amounts appropriated under this heading, $10,000,000 shall be for university research and development in areas relevant to their respective organization’s mission, and $5,000,000 shall be for a Nuclear Science and Engineering Grant Program that will support multiyear projects that do not align with programmatic missions but are critical to maintaining the discipline of nuclear science and engineering.
OFFICE OF INSPECTOR GENERAL

For necessary expenses of the Office of Inspector General in carrying out the provisions of the Inspector General Act of 1978, $11,020,000, to remain available until September 30, 2014: Provided, That revenues from licensing fees, inspection services, and other services and collections estimated at $9,918,000 in fiscal year 2013 shall be retained and be available until September 30, 2014, for necessary salaries and expenses in this account, notwithstanding section 3302 of title 31, United States Code: Provided further, That the sum herein appropriated shall be reduced by the amount of revenues received during fiscal year 2013 so as to result in a final fiscal year 2013 appropriation estimated at not more than $1,102,000.

NUCLEAR WASTE TECHNICAL REVIEW BOARD

SALARIES AND EXPENSES

For necessary expenses of the Nuclear Waste Technical Review Board, as authorized by Public Law 100–203, section 5051, $3,400,000, to be derived from the Nuclear Waste Fund established in section 302(c) of such Act (42 U.S.C. 10222(c)) and to remain available until expended.
OFFICE OF THE FEDERAL COORDINATOR FOR ALASKA

NATURAL GAS TRANSPORTATION PROJECTS

For necessary expenses for the Office of the Federal Coordinator for Alaska Natural Gas Transportation Projects pursuant to the Alaska Natural Gas Pipeline Act of 2004, $1,000,000: Provided, That any fees, charges, or commissions received pursuant to section 802 of Public Law 110–140 in fiscal year 2013 in excess of $2,000,000 shall not be available for obligation until appropriated in a subsequent Act of Congress.

GENERAL PROVISIONS, INDEPENDENT AGENCIES

Sec. 401. (a) None of the funds provided for “Nuclear Regulatory Commission—Salaries and Expenses” in this Act or prior Acts shall be available for obligation or expenditure through a reprogramming of funds that—

(1) increases funds or personnel for any program, project, or activity for which funds are denied or restricted by this Act; or

(2) reduces funds that are directed to be used for a specific program, project, or activity by this Act.

(b) The Chairman of the Nuclear Regulatory Commission may not terminate any program, project, or activity without the approval of a majority vote of the Commis-
sioners of the Nuclear Regulatory Commission approving such action.

(c) The Nuclear Regulatory Commission may waive the restriction on reprogramming under subsection (a) on a case-by-case basis by certifying to the Committees on Appropriations of the House of Representatives and the Senate that such action is required to address national security or imminent risks to public safety. Each such waiver certification shall include a letter from the Chairman of the Commission that a majority of Commissioners of the Nuclear Regulatory Commission have voted and approved the reprogramming waiver certification.

Sec. 402. The Chairman of the Nuclear Regulatory Commission shall notify the Committees on Appropriations of the House of Representatives and the Senate not later than 1 day after the Chairman begins performing functions under the authority of section 3 of Reorganization Plan No. 1 of 1980, or after a member of the Commission who was delegated emergency functions under subsection (b) of that section begins performing those functions. Such notification shall include an explanation of the circumstances warranting the exercise of such authority. The Chairman shall report to the Committees, not less frequently than once each week, on the actions taken by the Chairman, or a delegated member of the Commis-
sion, under such authority, until the authority is relin-
quished. The Chairman shall notify the Committees not later than 1 day after such authority is relinquished. The Chairman shall submit the report required by section 3(d) of the Reorganization Plan No. 1 of 1980 to the Committees not later than 1 day after it was submitted to the Commission.

TITLE V—GENERAL PROVISIONS

SEC. 501. None of the funds appropriated by this Act may be used in any way, directly or indirectly, to influence congressional action on any legislation or appropriation matters pending before Congress, other than to communicate to Members of Congress as described in 18 U.S.C. 1913.

SEC. 502. None of the funds made available in this Act may be transferred to any department, agency, or instrumentality of the United States Government, except pursuant to a transfer made by, or transfer authority provided in this Act or any other appropriation Act.

SEC. 503. None of the funds made available under this Act may be expended for any new hire by any Federal agency funded in this Act that is not verified through the E-Verify Program as described in section 403(a) of the Illegal Immigration Reform andImmigrant Responsibility Act of 1996 (8 U.S.C. 1324a note).
SEC. 504. None of the funds made available by this Act may be used to enter into a contract, memorandum of understanding, or cooperative agreement with, make a grant to, or provide a loan or loan guarantee to any corporation that was convicted (or had an officer or agent of such corporation acting on behalf of the corporation convicted) of a felony criminal violation under any Federal law within the preceding 24 months, where the awarding agency is aware of the conviction, unless the agency has considered suspension or debarment of the corporation, or such officer or agent, and made a determination that this further action is not necessary to protect the interests of the Government.

SEC. 505. None of the funds made available by this Act may be used to enter into a contract, memorandum of understanding, or cooperative agreement with, make a grant to, or provide a loan or loan guarantee to, any corporation that has any unpaid Federal tax liability that has been assessed, for which all judicial and administrative remedies have been exhausted or have lapsed, and that is not being paid in a timely manner pursuant to an agreement with the authority responsible for collecting the tax liability, where the awarding agency is aware of the unpaid tax liability, unless the agency has considered suspension or debarment of the corporation and made a determination
that this further action is not necessary to protect the inter-

Sec. 506. None of the funds made available by this Act may be used in contravention of Executive Order No. 12898 of February 11, 1994 ("Federal Actions to Address Environmental Justice in Minority Populations and Low-Income Populations").

Sec. 507. No funds made available by this Act may be used to pay for mitigation associated with the removal of Federal Energy Regulatory Commission Project number 2342.

Sec. 508. None of the funds made available in this Act may be used to conduct closure of adjudicatory functions, technical review, or support activities associated with the Yucca Mountain geologic repository license application, or for actions that irrevocably remove the possibility that Yucca Mountain may be a repository option in the future.

SPENDING REDUCTION ACCOUNT

Sec. 509. The amount by which the applicable allocation of new budget authority made by the Committee on Appropriations of the House of Representatives under section 302(b) of the Congressional Budget Act of 1974 exceeds the amount of proposed new budget authority is $0.
This Act may be cited as the "Energy and Water Development and Related Agencies Appropriations Act, 2013".
