Making appropriations for energy and water development and related agencies for the fiscal year ending September 30, 2013, and for other purposes.
Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,
That the following sums are appropriated, out of any money in the Treasury not otherwise appropriated, for energy and water development and related agencies for the fiscal year ending September 30, 2013, and for other purposes, namely:

TITLE I—CORPS OF ENGINEERS—CIVIL

DEPARTMENT OF THE ARMY

Corps of Engineers—civil

The following appropriations shall be expended under the direction of the Secretary of the Army and the supervision of the Chief of Engineers for authorized civil functions of the Department of the Army pertaining to river and harbor, flood and storm damage reduction, shore protection, aquatic ecosystem restoration, and related efforts.

INVESTIGATIONS

For expenses necessary where authorized by law for the collection and study of basic information pertaining to river and harbor, flood and storm damage reduction, shore protection, aquatic ecosystem restoration, and related needs; for surveys and detailed studies, and plans and specifications of proposed river and harbor, flood and storm damage reduction, shore protection, and aquatic ecosystem restoration, projects and related efforts prior to
reimbursable by San Luis Unit beneficiaries of such service or studies pursuant to Federal reclamation law.

**TITLE III—DEPARTMENT OF ENERGY**

**ENERGY PROGRAMS**

**ENERGY EFFICIENCY AND RENEWABLE ENERGY**

*(INCLUDING RESCISSION OF FUNDS)*

For Department of Energy expenses including the purchase, construction, and acquisition of plant and capital equipment, and other expenses necessary for energy efficiency and renewable energy activities in carrying out the purposes of the Department of Energy Organization Act (42 U.S.C. 7101 et seq.), including the acquisition or condemnation of any real property or any facility or for plant or facility acquisition, construction, or expansion, $1,450,960,000 to remain available until expended: *Provided*, That of such amount, $115,000,000 shall be available until September 30, 2014, for program direction: *Provided further*, That for the purposes of allocating weatherization assistance funds to States and tribes during fiscal year 2013, the Secretary of Energy may waive the allocation formula established pursuant to section 414(a) of the Energy Conservation and Production Act (42 U.S.C. 6864(a)): *Provided further*, That of the unobligated balances from prior year appropriations available under this heading, $69,667,000 is hereby permanently rescinded:
Provided further, That no amounts may be rescinded from amounts that were designated by the Congress as an emergency requirement pursuant to the Concurrent Resolution on the Budget or the Balanced Budget and Emergency Deficit Control Act of 1985.

Electricity Delivery and Energy Reliability

For Department of Energy expenses including the purchase, construction, and acquisition of plant and capital equipment, and other expenses necessary for electricity delivery and energy reliability activities in carrying out the purposes of the Department of Energy Organization Act (42 U.S.C. 7101 et seq.), including the acquisition or condemnation of any real property or any facility or for plant or facility acquisition, construction, or expansion, $123,000,000, to remain available until expended:

Provided, That of such amount, $27,600,000 shall be available until September 30, 2014, for program direction.

Nuclear Energy

For Department of Energy expenses including the purchase, construction, and acquisition of plant and capital equipment, and other expenses necessary for nuclear energy activities in carrying out the purposes of the Department of Energy Organization Act (42 U.S.C. 7101 et seq.), including the acquisition or condemnation of any real property or any facility or for plant or facility acquisition,
tion, construction, or expansion, and the purchase of not
more than 10 buses and 2 ambulances, all for replacement
only, $765,391,000, to remain available until expended,
of which $10,000,000 shall be derived from the Nuclear
Waste Fund established in section 302 (c) of the Nuclear
Waste Policy Act of 1982 (42 U.S.C. 10222(c)), to be
made available only to support the high-level waste geo-
logic repository at Yucca Mountain: Provided, That, of the
amount made available under this heading, $90,015,000
shall be available until September 30, 2014, for program
direction.

FOSSIL ENERGY RESEARCH AND DEVELOPMENT

For necessary expenses in carrying out fossil energy
research and development activities, under the authority
of the Department of Energy Organization Act (Public
Law 95-91), including the acquisition of interest, includ-
ing defeasible and equitable interests in any real property
or any facility or for plant or facility acquisition or expan-
sion, and for conducting inquiries, technological investiga-
tions and research concerning the extraction, processing,
use, and disposal of mineral substances without objection-
able social and environmental costs (30 U.S.C. 3, 1602,
and 1603), $554,000,000, to remain available until ex-
pended: Provided, That of such amount, $115,753,000
shall be available until September 30, 2014, for program
direction: *Provided further*, That for all programs funded under Fossil Energy appropriations in this Act or any other Act, the Secretary of Energy may vest fee title or other property interests acquired under projects in any entity, including the United States.

**NAVAL PETROLEUM AND OIL SHALE RESERVES**

For expenses necessary to carry out naval petroleum and oil shale reserve activities, $14,909,000, to remain available until expended: *Provided*, That, notwithstanding any other provision of law, unobligated funds remaining from prior years shall be available for all naval petroleum and oil shale reserve activities.

**ELK HILLS SCHOOL LANDS FUND**

For necessary expenses in fulfilling the final payment under the Settlement Agreement entered into by the United States and the State of California on October 11, 1996, as authorized by section 3415 of Public Law 104–106, $15,579,815, for payment to the State of California for the State Teachers’ Retirement Fund, of which $15,579,815 shall be derived from the Elk Hills School Lands Fund.

**STRATEGIC PETROLEUM RESERVE**

For necessary expenses for Strategic Petroleum Reserve facility development and operations and program management activities pursuant to the Energy Policy and
Conservation Act of 1975, as amended (42 U.S.C. 6201 et seq.), $195,609,000, to remain available until expended.

**NORTHEAST HOME HEATING OIL RESERVE**

(including rescission of funds)

For necessary expenses for Northeast Home Heating Oil Reserve storage, operation, and management activities pursuant to the Energy Policy and Conservation Act, $10,119,000, to remain available until expended: Provided, That of the unobligated balances from prior year appropriations available under this heading, $6,000,000 is hereby permanently rescinded: Provided further, That no amounts may be rescinded from amounts that were designated by the Congress as an emergency requirement pursuant to the Concurrent Resolution on the Budget or the Balanced Budget and Emergency Deficit Control Act of 1985.

**ENERGY INFORMATION ADMINISTRATION**

For necessary expenses in carrying out the activities of the Energy Information Administration, $100,000,000 to remain available until expended.

**NON-DEFENSE ENVIRONMENTAL CLEANUP**

For Department of Energy expenses, including the purchase, construction, and acquisition of plant and capital equipment and other expenses necessary for non-defense environmental cleanup activities in carrying out the
purposes of the Department of Energy Organization Act (42 U.S.C. 7101 et seq.), including the acquisition or condemnation of any real property or any facility or for plant or facility acquisition, construction, or expansion, $198,506,000, to remain available until expended.

URANIUM ENRICHMENT DECONTAMINATION AND DECOMMISSIONING FUND

For necessary expenses in carrying out uranium enrichment facility decontamination and decommissioning, remedial actions, and other activities of title II of the Atomic Energy Act of 1954, and title X, subtitle A, of the Energy Policy Act of 1992, $425,493,000 to be derived from the Uranium Enrichment Decontamination and Decommissioning Fund, to remain available until expended.

SCIENCE

(INCLUDING RESCISSION OF FUNDS)

For Department of Energy expenses including the purchase, construction, and acquisition of plant and capital equipment, and other expenses necessary for science activities in carrying out the purposes of the Department of Energy Organization Act (42 U.S.C. 7101 et seq.), including the acquisition or condemnation of any real property or facility or for plant or facility acquisition, construction, or expansion, and purchase of not more than 25 pas-
senger motor vehicles for replacement only, including one
ambulance and one bus, $4,824,931,000, to remain avail-
able until expended: Provided, That of such amount,
$185,000,000 shall be available until September 30, 2014,
for program direction: Provided further, That of the unob-
ligated balances from appropriations available under this
heading, $23,500,000 is hereby permanently rescinded:
Provided further, That no amounts may be rescinded from
amounts that were designated by the Congress as an
emergency requirement pursuant to the Concurrent Reso-

ADVANCED RESEARCH PROJECTS AGENCY—ENERGY

For necessary expenses in carrying out the activities
authorized by section 5012 of the America COMPETES
Act (Public Law 110–69), as amended, $200,000,000, to
remain available until expended: Provided, That of such
amount, $20,000,000 shall be available until September
30, 2014, for program direction.

NUCLEAR WASTE DISPOSAL

For nuclear waste disposal activities to carry out the
purposes of the Nuclear Waste Policy Act of 1982, Public
Law 97-425, as amended (the “NWPA”), $25,000,000,
to remain available until expended, and to be derived from
the Nuclear Waste Fund established in section 302(c) of
such Act (42 U.S.C. 10222(c)), to be made available only
to support the Yucca Mountain license application: Pro-
vided, That not less than $5,000,000 of funds made avail-
able under this heading shall be made available only for
assistance to affected units of local government which have
given formal consent to the Secretary of Energy to host
a high-level waste repository as authorized by the NWPA.

TITLE 17 INNOVATIVE TECHNOLOGY LOAN GUARANTEE
Program

Such sums as are derived from amounts received
from borrowers pursuant to section 1702(b)(2) of the En-
ergy Policy Act of 2005 under this heading in prior Acts,
shall be collected in accordance with section 502(7) of the
Congressional Budget Act of 1974: Provided, That, for
necessary administrative expenses to carry out this Loan
Guarantee program, $38,000,000 is appropriated, to re-
main available until September 30, 2014: Provided further,
That $38,000,000 of the fees collected pursuant to section
1702(h) of the Energy Policy Act of 2005 shall be credited
as offsetting collections to this account to cover adminis-
trative expenses and shall remain available until expended,
so as to result in a final fiscal year 2013 appropriation
from the general fund estimated at not more than $0: Pro-
vided further, That fees collected under section 1702(h)
in excess of the amount appropriated for administrative expenses shall not be available until appropriated.

**ADVANCED TECHNOLOGY VEHICLES MANUFACTURING LOAN PROGRAM**

For administrative expenses in carrying out the Advanced Technology Vehicles Manufacturing Loan Program, $6,000,000, to remain available until September 30, 2014.

**DEPARTMENTAL ADMINISTRATION**

For salaries and expenses of the Department of Energy necessary for departmental administration in carrying out the purposes of the Department of Energy Organization Act (42 U.S.C. 7101 et seq.), including the hire of passenger motor vehicles and official reception and representation expenses not to exceed $30,000, $230,783,000, to remain available until September 30, 2014, plus such additional amounts as necessary to cover increases in the estimated amount of cost of work for others notwithstanding the provisions of the Anti-Deficiency Act (31 U.S.C. 1511 et seq.): Provided, That such increases in cost of work are offset by revenue increases of the same or greater amount, to remain available until expended: Provided further, That moneys received by the Department for miscellaneous revenues estimated to total $108,188,000 in fiscal year 2013 may be retained and
used for operating expenses within this account, and may
remain available until expended, as authorized by section
201 of Public Law 95–238, notwithstanding the provisions
of 31 U.S.C. 3302: Provided further, That the sum herein
appropriated shall be reduced by the amount of miscella-
neous revenues received during 2013, and any related ap-
propriated receipt account balances remaining from prior
years’ miscellaneous revenues, so as to result in a final
fiscal year 2013 appropriation from the general fund esti-
mated at not more than $122,595,000.

Office of the Inspector General

For necessary expenses of the Office of the Inspector
General in carrying out the provisions of the Inspector
General Act of 1978, as amended, $43,468,000, to remain
available until September 30, 2014.

Atomic Energy Defense Activities

National Nuclear Security

Administration

Weapons Activities

(including rescission of funds)

For Department of Energy expenses, including the
purchase, construction, and acquisition of plant and cap-
ital equipment and other incidental expenses necessary for
atomic energy defense weapons activities in carrying out
the purposes of the Department of Energy Organization
Act (42 U.S.C. 7101 et seq.), including the acquisition or condemnation of any real property or any facility or for plant or facility acquisition, construction, or expansion, and the purchase of not to exceed one ambulance, $7,577,341,000, to remain available until expended: Provided, That of the unobligated balances from prior year appropriations available under this heading, $65,000,000 is hereby permanently rescinded: Provided further, That no amounts may be rescinded from amounts that were designated by the Congress as an emergency requirement pursuant to the Concurrent Resolution on the Budget or the Balanced Budget and Emergency Deficit Control Act of 1985.

DEFENSE NUCLEAR NONPROLIFERATION

(INCLUDING RESCISSION OF FUNDS)

For Department of Energy expenses, including the purchase, construction, and acquisition of plant and capital equipment and other incidental expenses necessary for defense nuclear nonproliferation activities, in carrying out the purposes of the Department of Energy Organization Act (42 U.S.C. 7101 et seq.), including the acquisition or condemnation of any real property or any facility or for plant or facility acquisition, construction, or expansion, and the purchase of not to exceed one passenger motor vehicle for replacement only, $2,283,024,000, to remain
available until expended: Provided, That of the unobligated balances from prior year appropriations available under this heading, $7,000,000 is hereby permanently rescinded: Provided further, That no amounts may be rescinded from amounts that were designated by the Congress as an emergency requirement pursuant to the Concurrent Resolution on the Budget or the Balanced Budget and Emergency Deficit Control Act of 1985.

NAVAL REACTORS

For Department of Energy expenses necessary for naval reactors activities to carry out the Department of Energy Organization Act (42 U.S.C. 7101 et seq.), including the acquisition (by purchase, condemnation, construction, or otherwise) of real property, plant, and capital equipment, facilities, and facility expansion, $1,086,635,000, to remain available until expended: Provided, That of such amount, $43,212,000 shall be available until September 30, 2014, for program direction.

OFFICE OF THE ADMINISTRATOR

For necessary expenses of the Office of the Administrator in the National Nuclear Security Administration, including official reception and representation expenses not to exceed $12,000, $400,000,000, to remain available until September 30, 2014.
ENVIRONMENTAL AND OTHER DEFENSE ACTIVITIES

DEFENSE ENVIRONMENTAL CLEANUP

(INCLUDING RESCISSION OF FUNDS)

For Department of Energy expenses, including the purchase, construction, and acquisition of plant and capital equipment and other expenses necessary for atomic energy defense environmental cleanup activities in carrying out the purposes of the Department of Energy Organization Act (42 U.S.C. 7101 et seq.), including the acquisition or condemnation of any real property or any facility or for plant or facility acquisition, construction, or expansion, and the purchase of not to exceed one ambulance and one fire truck for replacement only, $4,930,078,000, to remain available until expended: Provided, That of such amount, $315,607,000 shall be available until September 30, 2014, for program direction: Provided further, That of the unobligated balances from prior year appropriations available under this heading, $10,000,000 is hereby permanently rescinded: Provided further, That no amounts may be rescinded from amounts that were designated by the Congress as an emergency requirement pursuant to the Concurrent Resolution on the Budget or the Balanced Budget and Emergency Deficit Control Act of 1985.
OTHER DEFENSE ACTIVITIES

For Department of Energy expenses, including the purchase, construction, and acquisition of plant and capital equipment, and other expenses necessary for atomic energy defense, other defense activities, and classified activities, in carrying out the purposes of the Department of Energy Organization Act (42 U.S.C. 7101 et seq.), including the acquisition or condemnation of any real property or any facility or for plant or facility acquisition, construction, or expansion, $813,364,000, to remain available until expended: Provided, That of such amount, $114,858,000 shall be available until September 30, 2014, for program direction.

POWER MARKETING ADMINISTRATION

BONNEVILLE POWER ADMINISTRATION FUND

Expenditures from the Bonneville Power Administration Fund, established pursuant to Public Law 93-454, are approved for construction of, or participating in the construction of, a high voltage line from Bonneville’s high voltage system to the service areas of requirements customers located within Bonneville’s service area in southern Idaho, southern Montana, and western Wyoming; and such line may extend to, and interconnect in, the Pacific Northwest with lines between the Pacific Northwest and the Pacific Southwest, and for John Day Reprogramming
and Construction, the Columbia River Basin White Sturgeon Hatchery, and Kelt Reconditioning and Reproductive Success Evaluation Research, and, in addition, for official reception and representation expenses in an amount not to exceed $7,000: Provided, That during fiscal year 2013, no new direct loan obligations may be made.

**OPERATION AND MAINTENANCE, SOUTHEASTERN POWER ADMINISTRATION**

For necessary expenses of operation and maintenance of power transmission facilities and of marketing electric power and energy, including transmission wheeling and ancillary services, pursuant to section 5 of the Flood Control Act of 1944 (16 U.S.C. 825s), as applied to the southeastern power area, and including official reception and representation expenses in an amount not to exceed $1,500, $8,732,000, to remain available until expended: Provided, That notwithstanding 31 U.S.C. 3302 and section 5 of the Flood Control Act of 1944, up to $8,732,000 collected by the Southeastern Power Administration from the sale of power and related services shall be credited to this account as discretionary offsetting collections, to remain available until expended for the sole purpose of funding the annual expenses of the Southeastern Power Administration: Provided further, That the sum herein appropriated for annual expenses shall be reduced as collections
are received during the fiscal year so as to result in a final fiscal year 2013 appropriation estimated at not more than $0: *Provided further*, That, notwithstanding 31 U.S.C. 3302, up to $87,696,000 collected by the Southeastern Power Administration pursuant to the Flood Control Act of 1944 to recover purchase power and wheeling expenses shall be credited to this account as offsetting collections, to remain available until expended for the sole purpose of making purchase power and wheeling expenditures: *Provided further*, That for purposes of this appropriation, annual expenses means expenditures that are generally recovered in the same year that they are incurred (excluding purchase power and wheeling expenses).

**Operation and Maintenance, Southwestern Power Administration**

For necessary expenses of operation and maintenance of power transmission facilities and of marketing electric power and energy, for construction and acquisition of transmission lines, substations and appurtenant facilities, and for administrative expenses, including official reception and representation expenses in an amount not to exceed $1,500 in carrying out section 5 of the Flood Control Act of 1944 (16 U.S.C. 825s), as applied to the Southwestern Power Administration, $44,200,000, to remain available until expended: *Provided*, That notwithstanding
31 U.S.C. 3302 and section 5 of the Flood Control Act of 1944 (16 U.S.C. 825s), up to $32,308,000 collected by the Southwestern Power Administration from the sale of power and related services shall be credited to this account as discretionary offsetting collections, to remain available until expended, for the sole purpose of funding the annual expenses of the Southwestern Power Administration: Provided further, That the sum herein appropriated for annual expenses shall be reduced as collections are received during the fiscal year so as to result in a final fiscal year 2013 appropriation estimated at not more than $11,892,000: Provided further, That, notwithstanding 31 U.S.C. 3302, up to $41,000,000 collected by the Southwestern Power Administration pursuant to the Flood Control Act of 1944 to recover purchase power and wheeling expenses shall be credited to this account as offsetting collections, to remain available until expended for the sole purpose of making purchase power and wheeling expenditures: Provided further, That, for purposes of this appropriation, annual expenses means expenditures that are generally recovered in the same year that they are incurred (excluding purchase power and wheeling expenses).
CONSTRUCTION, REHABILITATION, OPERATION AND
MAINTENANCE, WESTERN AREA POWER ADMINISTRATION

For carrying out the functions authorized by title III, section 302(a)(1)(E) of the Act of August 4, 1977 (42 U.S.C. 7152), and other related activities including conservation and renewable resources programs as authorized, including official reception and representation expenses in an amount not to exceed $1,500; $291,920,000, to remain available until expended, of which $281,702,000 shall be derived from the Department of the Interior Reclamation Fund: Provided, That notwithstanding 31 U.S.C. 3302, section 5 of the Flood Control Act of 1944 (16 U.S.C. 825s), and section 1 of the Interior Department Appropriation Act, 1939 (43 U.S.C. 392a), up to $195,790,000 collected by the Western Area Power Administration from the sale of power and related services shall be credited to this account as discretionary offsetting collections, to remain available until expended, for the sole purpose of funding the annual expenses of the Western Area Power Administration: Provided further, That the sum herein appropriated for annual expenses shall be reduced as collections are received during the fiscal year so as to result in a final fiscal year 2013 appropriation estimated at not more than $96,130,000, of which
$85,912,000 is derived from the Reclamation Fund: Provided further, That of the amount herein appropriated, not more than $3,375,000 is for deposit into the Utah Reclamation Mitigation and Conservation Account pursuant to title IV of the Reclamation Projects Authorization and Adjustment Act of 1992: Provided further, That notwithstanding 31 U.S.C. 3302, up to $242,858,000 collected by the Western Area Power Administration pursuant to the Flood Control Act of 1944 and the Reclamation Project Act of 1939 to recover purchase power and wheeling expenses shall be credited to this account as offsetting collections, to remain available until expended for the sole purpose of making purchase power and wheeling expenditures: Provided further, That for purposes of this appropriation, annual expenses means expenditures that are generally recovered in the same year that they are incurred (excluding purchase power and wheeling expenses).

FALCON AND AMISTAD OPERATING AND MAINTENANCE FUND

For operation, maintenance, and emergency costs for the hydroelectric facilities at the Falcon and Amistad Dams, $5,555,000, to remain available until expended, and to be derived from the Falcon and Amistad Operating and Maintenance Fund of the Western Area Power Administration, as provided in section 2 of the Act of June
18, 1954 (68 Stat. 255) as amended: Provided, That not- 
withstanding the provisions of that Act and of 31 U.S.C. 
3302, up to $5,335,000 collected by the Western Area 
Power Administration from the sale of power and related 
services from the Falcon and Amistad Dams shall be cred-
ited to this account as discretionary offsetting collections, 
to remain available until expended for the sole purpose 
of funding the annual expenses of the hydroelectric facili-
ties of these Dams and associated Western Area Power 
Administration activities: Provided further, That the sum 
herein appropriated for annual expenses shall be reduced 
as collections are received during the fiscal year so as to 
result in a final fiscal year 2013 appropriation estimated 
at not more than $220,000: Provided further, That for 
purposes of this appropriation, annual expenses means ex-
penditures that are generally recovered in the same year 
that they are incurred.

Federal Energy Regulatory Commission

Salaries and Expenses

For necessary expenses of the Federal Energy Regu-
latory Commission to carry out the provisions of the De-
partment of Energy Organization Act (42 U.S.C. 7101 et 
seq.), including services as authorized by 5 U.S.C. 3109, 
the hire of passenger motor vehicles, and official reception 
and representation expenses not to exceed $3,000,
$304,600,000, to remain available until expended: Provided, That notwithstanding any other provision of law, not to exceed $304,600,000 of revenues from fees and annual charges, and other services and collections in fiscal year 2013 shall be retained and used for necessary expenses in this account, and shall remain available until expended: Provided further, That the sum herein appropriated from the general fund shall be reduced as revenues are received during fiscal year 2013 so as to result in a final fiscal year 2013 appropriation from the general fund estimated at not more than $0.

GENERAL PROVISIONS, DEPARTMENT OF ENERGY

(INCLUDING TRANSFER OF FUNDS)

Sec. 301. (a) No appropriation, funds, or authority made available by this title for the Department of Energy shall be used to initiate or resume any program, project, or activity or to prepare or initiate Requests For Proposals or similar arrangements (including Requests for Quotations, Requests for Information, and Funding Opportunity Announcements) for a program, project, or activity if the program, project, or activity has not been funded by Congress.

(b) The Department of Energy may not, with respect to any program, project, or activity that uses budget au-
authority made available in this title under the heading “Department of Energy—Energy Programs”, enter into a multi-year contract, award a multi-year grant, or enter into a multi-year cooperative agreement unless:

(1) the contract, grant, or cooperative agreement is funded for the full period of performance as anticipated at the time of award; or

(2) the contract, grant, or cooperative agreement includes a clause conditioning the Federal Government’s obligation on the availability of future-year budget authority and the Secretary notifies the Committee on Appropriations of the House of Representatives and the Senate at least 14 days in advance.

(c) Except as provided in subsections (d), (e), and (f), the amounts made available by this title shall be expended as authorized by law for the projects and activities specified in the “Bill” column in the “Department of Energy” table or the text included under the heading “Title III—Department of Energy” in the report of the Committee on Appropriations accompanying this Act.

(d) The amounts made available by this title may be reprogrammed for any program, project, or activity, and the Department shall notify the Committees on Appropriations of the House of Representatives and the Senate at
least 30 days prior to the use of any proposed reprogram-
ming which would cause any program, project, or activity
funding level to increase or decrease by more than
$5,000,000 or 10 percent, whichever is less, during the
time period covered by this Act.

(e) None of the funds provided in this title shall be
available for obligation or expenditure through a re-
programming of funds that—

(1) creates, initiates, or eliminates a program,
project, or activity;

(2) increases funds or personnel for any pro-
gram, project, or activity for which funds are denied
or restricted by this Act; or

(3) reduces funds that are directed to be used
for a specific program, project, or activity by this
Act.

(f)(1) The Secretary of Energy may waive any re-
quirement or restriction in this section that applies to the
use of funds made available for the Department of Energy
if compliance with such requirement or restriction would
pose a substantial risk to human health, the environment,
welfare, or national security.

(2) The Secretary of Energy shall notify the Commit-
tees on Appropriations of any waiver under paragraph (1)
as soon as practicable, but not later than 3 days after the
date of the activity to which a requirement or restriction
would otherwise have applied. Such notice shall include an
explanation of the substantial risk under paragraph (1)
that permitted such waiver.

SEC. 302. The unexpended balances of prior appro-
priations provided for activities in this Act may be avail-
able to the same appropriation accounts for such activities
established pursuant to this title. Available balances may
be merged with funds in the applicable established ac-
counts and thereafter may be accounted for as one fund
for the same time period as originally enacted.

SEC. 303. Funds appropriated by this or any other
Act, or made available by the transfer of funds in this
Act, for intelligence activities are deemed to be specifically
authorized by the Congress for purposes of section 504
of the National Security Act of 1947 (50 U.S.C. 414) dur-
ing fiscal year 2013 until the enactment of the Intelligence

SEC. 304. None of the funds made available in this
title shall be used for the construction of facilities classi-
fied as high-hazard nuclear facilities under 10 CFR Part
830 unless independent oversight is conducted by the Of-
Office of Health, Safety, and Security to ensure the project
is in compliance with nuclear safety requirements.
SEC. 305. None of the funds made available in this title may be used to approve a Critical Decision-2 or Critical Decision-3 under Department of Energy Order 413.3B, or any successive departmental guidance, for construction projects where the total project cost exceeds $100,000,000, until a separate independent cost estimate has been developed for the project for that critical decision.

SEC. 306. None of the funds made available in this title may be used to make a grant allocation, discretionary grant award, discretionary contract award, or Other Transaction Agreement, or to issue a letter of intent, totaling in excess of $1,000,000, or to announce publicly the intention to make such an allocation, award, or Agreement, or to issue such a letter, including a contract covered by the Federal Acquisition Regulation, unless the Secretary of Energy notifies the Committees on Appropriations of the Senate and the House of Representatives at least 3 full business days in advance of making such an allocation, award, or Agreement, or issuing such a letter: Provided, That if the Secretary of Energy determines that compliance with this section would pose a substantial risk to human life, health, or safety, an allocation, award, or Agreement may be made, or a letter may be issued, without advance notification, and the Secretary shall no-
tify the Committees on Appropriations of the Senate and
the House of Representatives not later than 5 full business
days after the date on which such an allocation, award,
or Agreement is made or letter issued: Provided further,
That the notification shall include the recipient of the
award, the amount of the award, the fiscal year for which
the funds for the award were appropriated, and the ac-
count and program from which the funds are being drawn,
the title of the award, and a brief description of the activ-
ity for which the award is made.

Sec. 307. None of the funds made available by this
or any subsequent Act for fiscal year 2013 or any fiscal
year hereafter may be used to pay the salaries of Depart-
ment of Energy employees to carry out section 407 of divi-
sion A of the American Recovery and Reinvestment Act
of 2009.

Sec. 308. Section 20320(c) of division B of Public
Law 109–289, as added by Public Law 110–5, is amended

General Provisions, Independent Agencies

Sec. 401. (a) None of the funds provided for “Nuclear Regulatory Commission—Salaries and Expenses” in this Act or prior Acts shall be available for obligation or expenditure through a reprogramming of funds that—

(1) increases funds or personnel for any program, project, or activity for which funds are denied or restricted by this Act; or

(2) reduces funds that are directed to be used for a specific program, project, or activity by this Act.

(b) The Chairman of the Nuclear Regulatory Commission may not terminate any program, project, or activity without the approval of a majority vote of the Commis-
sioners of the Nuclear Regulatory Commission approving such action.

(c) The Nuclear Regulatory Commission may waive the restriction on reprogramming under subsection (a) on a case-by-case basis by certifying to the Committees on Appropriations of the House of Representatives and the Senate that such action is required to address national security or imminent risks to public safety. Each such waiver certification shall include a letter from the Chairman of the Commission that a majority of Commissioners of the Nuclear Regulatory Commission have voted and approved the reprogramming waiver certification.

SEC. 402. The Chairman of the Nuclear Regulatory Commission shall notify the Committees on Appropriations of the House of Representatives and the Senate not later than 1 day after the Chairman begins performing functions under the authority of section 3 of Reorganization Plan No. 1 of 1980, or after a member of the Commission who was delegated emergency functions under subsection (b) of that section begins performing those functions. Such notification shall include an explanation of the circumstances warranting the exercise of such authority. The Chairman shall report to the Committees, not less frequently than once each week, on the actions taken by the Chairman, or a delegated member of the Commis-
sion, under such authority, until the authority is relin-
quished. The Chairman shall notify the Committees not
later than 1 day after such authority is relinquished. The
Chairman shall submit the report required by section 3(d)
of the Reorganization Plan No. 1 of 1980 to the Commit-
tees not later than 1 day after it was submitted to the
Commission.

TITLE V—GENERAL PROVISIONS

Sec. 501. None of the funds appropriated by this Act
may be used in any way, directly or indirectly, to influence
congressional action on any legislation or appropriation
matters pending before Congress, other than to commu-
nicate to Members of Congress as described in 18 U.S.C.
1913.

Sec. 502. None of the funds made available in this
Act may be transferred to any department, agency, or in-
strumentality of the United States Government, except
pursuant to a transfer made by, or transfer authority pro-
vided in this Act or any other appropriation Act.

Sec. 503. None of the funds made available under
this Act may be expended for any new hire by any Federal
agency funded in this Act that is not verified through the
E-Verify Program as described in section 403(a) of the
Illegal Immigration Reform and Immigrant Responsibility
SEC. 504. None of the funds made available by this Act may be used to enter into a contract, memorandum of understanding, or cooperative agreement with, make a grant to, or provide a loan or loan guarantee to any corporation that was convicted (or had an officer or agent of such corporation acting on behalf of the corporation convicted) of a felony criminal violation under any Federal law within the preceding 24 months, where the awarding agency is aware of the conviction, unless the agency has considered suspension or debarment of the corporation, or such officer or agent, and made a determination that this further action is not necessary to protect the interests of the Government.

SEC. 505. None of the funds made available by this Act may be used to enter into a contract, memorandum of understanding, or cooperative agreement with, make a grant to, or provide a loan or loan guarantee to, any corporation that has any unpaid Federal tax liability that has been assessed, for which all judicial and administrative remedies have been exhausted or have lapsed, and that is not being paid in a timely manner pursuant to an agreement with the authority responsible for collecting the tax liability, where the awarding agency is aware of the unpaid tax liability, unless the agency has considered suspension or debarment of the corporation and made a determination
that this further action is not necessary to protect the interests of the Government.

SEC. 506. None of the funds made available by this Act may be used in contravention of Executive Order No. 12898 of February 11, 1994 ("Federal Actions to Address Environmental Justice in Minority Populations and Low-Income Populations").

SEC. 507. No funds made available by this Act may be used to pay for mitigation associated with the removal of Federal Energy Regulatory Commission Project number 2342.

SEC. 508. None of the funds made available in this Act may be used to conduct closure of adjudicatory functions, technical review, or support activities associated with the Yucca Mountain geologic repository license application, or for actions that irrevocably remove the possibility that Yucca Mountain may be a repository option in the future.
