

**Low Temperature Plasma Science Centers and Facilities
Awards List**

PI Name	Institution	City, State	Proposal Title
Raitses, Yevgeny	Princeton Plasma Physics Laboratory	Princeton, NJ	User Facility for Studies of Low Temperature Plasma Science and Technologies
Barnat, Edward	Sandia National Laboratories	Albuquerque, NM	Sandia Low Temperature Plasma User Facility
Kushner, Mark	University of Michigan	Ann Arbor, Michigan	Center for Low Temperature Plasma Interactions with Complex Interfaces
Adamovich, Igor	Ohio State University	Columbus, Ohio	Collaborative Research Center for Studies of Plasma-Assisted Combustion and Plasma Catalysis
