Dr. John Sarrao  
Director  
SLAC National Accelerator Facility  
2575 Sand Hill Road  
Menlo Park, California 94025

Dear Dr. Sarrao:

I am pleased to inform you of the Office of Science's acceptance of the Earned Value Management System (EVMS) at the SLAC National Accelerator Laboratory (SLAC). In September 2025, an independent surveillance/EVMS review was conducted based on the existing EVMS application on the Linac Coherent Light Source II High Energy project. In December 2025, the SLAC Management & Operating (M&O) contractor submitted a Corrective Action Plan (CAP) to address the Corrective Action Requests and Continuous Improvement Opportunities identified by the EVMS review committee. The actions proposed and undertaken by the SLAC M&O in the CAP were deemed acceptable and meet the requirements of the Electrical Industries Alliance -748.

Sincerely,

Jessica
